As we have been studying the life of the prophets, this past year. It has been a real treat to be able to feel what they felt, to understand some of the problems that they had to go through so we could enjoy the blessings of the gospel that we have today.

I want each of you to know how much I have enjoyed my association with you this past year.

I want you to know that the gospel is the greatest thing in my life next to my family. The church is true and the gospel has been restored in these the latter days. We do have a living prophet that leads the church today.

You, the youth of the church have a great responsibility and you are the strength of the church and you are the leaders of tomorrow. Always stay close to the lord and he will bless you.

Dear Students,

Out of all of the Seminaries I've had the opportunity of teaching full time at Heber is definitely the finest. We have our challenges here in our beautiful valley yet I am confident that during the next few years our priesthood leaders will guide us through these challenging times.

I also feel confident that the great youth of this valley will rise to meet with their devine destiny.

Sincerely,

Joe Pledger

Among my most precious memories of my life have been in the classroom here at the Wasatch Seminary. I love the youth here in this beautiful valley for many reasons.

I love their enthusiasm. I love their openness and readiness to express their opinions. I love their quiet moments when the spirit distills on us and lifts us to think of things beyond the moment.

Brother Dummar

It has been a great year for learning and completion of challenges. We have memorized scriptures, and read many passages in the standard works.

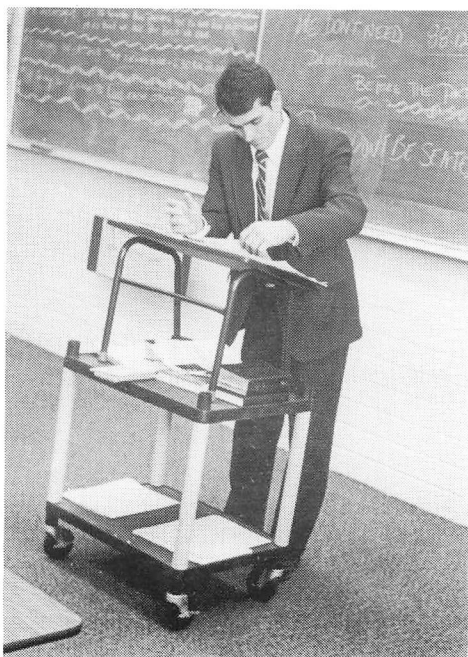

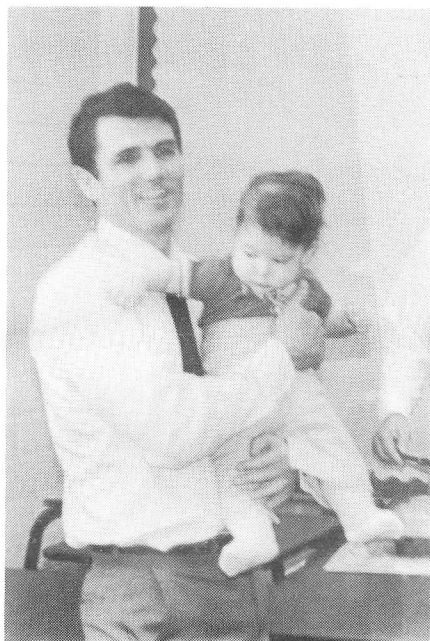

Many have recieved special certificates regarding their expertise in the area of memorization and scripture ability.

All of these accomplishments have been great and are important stepping stones and blocks to build on.

Our 13 articles of seminary helped make our Seminary a better place to be and study the gospel in.

It is my hope that all of us will commit ourselves to improve in our lives as the scriptures have taught us this year, and to remember especially this scripture, " I the lord am bound when ye do what I say, but when ye do not what I say ye have no promise.

Thank you
Ron Dummar
